And these were signed by the Chairman.

19/21-22 **MATTERS ARISING (not requiring a resolution)**

The Captiva Homes planning application had still to be determined and Southern Water appeared to be making an issue of sewage disposal. The process for closing Chillerton and Rookley School had been halted, which meant that it would be operating from September. The new IWC administration was understood to be considering up to six options. The method of distributing the £190 000 Welcome Fund amongst Town and Parish Councils was still being considered. The Clerk had written to Eddie Read regarding damaged branches of trees on The Green.

21/21-22 **CORRESPONDENCE**

The Clerk read correspondence received. The idea of creating a separate road name for new dwellings at Dowsabel Chase was felt to be a waste of time; they should be listed as part of Main Road. The Council decided not to comment on proposal for new parliamentary constituencies, nor on the environmental permit application for the planned oil extraction site at Arreton.
